Four friends are planning a party for New Year's Eve. Can you work out what colour party hat they will each be wearing, and what they are bringing to the party? Each friend is bringing one decoration and one item of party food.

- The friend bringing sandwiches is also wearing a hat in a colour that starts with the same letter as their first name.
- The friend wearing a green hat is not Jamie.
- Aitana is not bringing the cupcakes or the pork pies.
- The friend wearing the yellow hat is Eilish.
- The friend bringing fairy lights is not bringing the cupcakes.
- Eilish is not bringing streamers.
- The friend bringing balloons is Jamie.
- Of the friends bringing lemonade and pork pies, one is also bringing streamers and the other is wearing an orange hat.
- Either the friend wearing a pink hat or the friend wearing an orange hat is also bringing fairy lights.

SPOILER ALERT!
