

# My Maths Week Scotland

**My name...**

**This is me...**

draw a self-  
portrait here

**This is me in numbers...**

My age:

My height:

My shoe size:

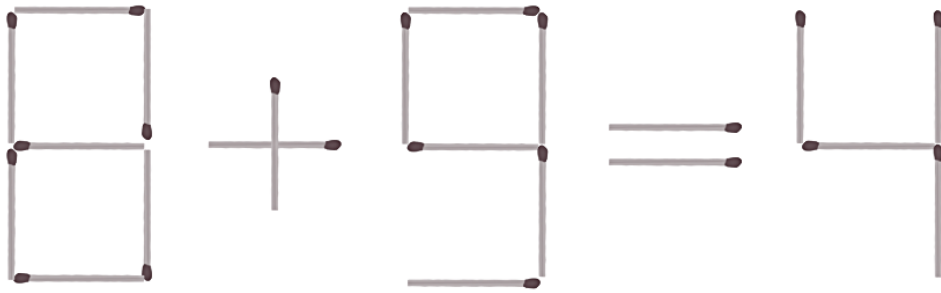

My favourite number:

## **There's lots to do during Maths Week Scotland - tick off the things you've had a go at!**

- Visit a science centre, museum or gallery
- Take a picture for the 'Maths Inside' photography competition
- Solve our online Daily Challenge
- Read a maths or numeracy related book
- Go on a Shape or Number Hunt
- Try one of our online maths activities
- Use your maths skills to bake something
- Play a maths game
- Create some maths inspired art
- Take part in #ShowYourWorking

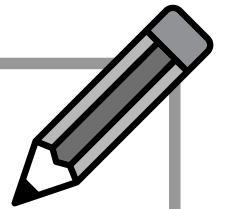

Find more info at: [www.mathsweek.scot/activities/mymws](http://www.mathsweek.scot/activities/mymws)

# BRAIN TEASER

Can you REMOVE exactly THREE matchsticks, to make the above equation true? It can be solved in three different ways.

**My favourite thing I did this week...**

# Magic Square

	5	

Can you place the numbers 1-9 in the squares so that the sum of each horizontal, vertical and diagonal column adds up to 15? Use each number only once. We've started you off with number 5.
