My favourite number:
 My shoe size:
 My height:
 My age:

This is me in numbers...

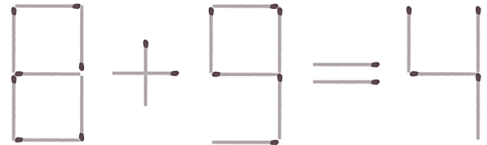

My name...

There's lots to do during Maths Week Scotland - tick off the things you've had a go at!

- Visit a science centre, museum or gallery
- Take a picture for the 'Maths Inside' photography competition
- Solve our online Daily Challenge
- Read a maths or numeracy related book
- Go on a Shape or Number Hunt
- Try one of our online maths activities
- Use your maths skills to bake something
- Play a maths game
- Create some maths inspired art
- Take part in #ShowYourWorking

BRAIN TEASER

Can you REMOVE exactly THREE matchsticks, to make the above equation true? It can be solved in three different ways.

My favourite thing I did this week...
