

Summer Holiday Logic Puzzle (Level 1)

		ICE CREAM				ACTIVITY			
		Strawberry	Vanilla	Chocolate	Lemon sorbet	Swimming	Making sandcastles	Rock pooling	Flying a kite
NAME	Angus								
	Erin								
	Omar								
	Svetlana								
ACTIVITY	Swimming								
	Making sandcastles								
	Rock pooling								
	Flying a kite								

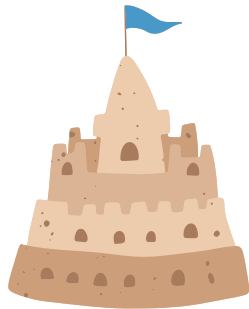

Four friends went to the beach together. Can you work out what activity each of them did at the beach, and what flavour of ice cream they ate?

- Neither Erin nor Svetlana went swimming.
- The person who had strawberry ice cream flew a kite, but it wasn't Omar.
- Erin did not have strawberry ice cream and Svetlana did not have lemon sorbet.
- The person who had vanilla ice cream went swimming.
- Omar went rock pooling. He did not have lemon sorbet.

SPOILER ALERT!
