

Maths Week
Scotland

Maths Week Scotland is looking to work with four teacher consultants to develop Maths Week Scotland 2022 Activity Packs.

Curriculum linked activity packs were downloaded over 10,000 times (<https://www.mathsweek.scot/activities>) in 2020 and 2021. Each pack providing suggested ideas for in the classroom and outdoors.

Expertise from teachers will help us create engaging and useful content for schools for Maths Week Scotland 2022. Development of the packs will take place between April – July. Teachers will work with Education Scotland to suggest and develop activities to be included in the packs.

This is an ideal opportunity for teachers passionate about engaging young people with maths.

There will be a fee of £250 per teacher. Activity packs cover Early Level, First Level, Second Level and Third/Fourth Level. We are looking for a teacher to support the development of each pack

If you are interested in taking part please email k.oldfield@nms.ac.uk by 21st March 2021 with details of your relevant experience including the stages you have taught, how you have previously celebrated Maths Week Scotland and why you are interested in undertaking this work?

Note: To receive payment you will need to have register for a UTR number from HMRC <https://www.gov.uk/register-for-self-assessment/self-employed> . Please get in touch if you have any queries about this.
